1 Pivot 1/4 right transferring weight to right

2-4. Weave to right - cross left over right, right to right, cross left behind right (keep body opened up slightly towards left diagonal)

5-8. Stomp right forward (keep weight on left), raise and lower right heel x 3 (keep weight on left and raise right arm up with palm facing up over 3 beats)

Ending

Dance the first 12 counts of the dance, then replace the 1/2 turn of section 2 with 1/4 turn left stepping left to left. Taadaaa!

Choreographers note: towards the end of the track the music fades and you will hear a "who", just dance through this. We decided not to put a restart in as it was so near the end of the track.
